

The way to us. That's how you reach us the fastest:

## By Car

Because of the downtown location, we advise using one of the Park & Ride car parks and continue via public transportation in the direction of the main station. From there, follow the instructions „By Train: From main station“.

Otherwise, you can drive from all motorways over the middle ring up to the Donnersberger Brücke. Follow the Landsberger Straße in the direction of the main station and finally the course of the road on the right into the Bavaria Ring. From there you turn left into the Schwanthalerstraße and drive until the corner Goethestraße. Turn right into this one, the next crossroad is the Landwehrstraße. Here you turn right again and after a few meters, you arrive at the Business Center Munich Workstyle. We are glad to reserve a parking spot for you in advance.

Please consider upon arrival: In the whole area within the middle ring (low-emission zone), you are only allowed to drive with a valid green emission badge. The middle ring itself does not belong to the low-emission zone.

## By Train

Our offices are only a five-minute walk from the main railway station.

**From main station:** Take the exit Bayerstraße and go down the Goethestraße until you reach the corner Landwehrstraße. Turn right and after a few meters, you arrive at the buildings of the Business Center Munich Workstyle on the left side of the street.

**From Marienplatz:** Take any of the suburban trains (S-Bahn) S1-S8 in the direction of the main station and follow the instructions from „By Train: From main station“.

## By Plane

Taking a cab will take around 40 minutes and cost around 65 EUR. We recommend taking the suburban trains S1 or S8. The train station is located downstairs of the airport. For the ride you need a single ticket for 4 zones or a single day ticket for the overall network. From there, follow the instructions „By Train: From main station“.
